REPORT  
OF  
The Territorial Treasurer,  
FOR THE  
FISCAL YEAR 1881.

TERRITORY OF MONTANA,  
TREASURER'S OFFICE,  
HELENA, M. T., January 1st, 1882. }

*To His Excellency, B. F. Potts, Governor :*

SIR :—In compliance with law, I have the honor to submit the following report showing the present status of this office, and its transactions for the fiscal year ending and including December 31, 1881.

Notwithstanding a considerable increase in Territorial expenditures, and the reduction of the Territorial tax levy from three mills on the dollar to one mill on the dollar, it is very gratifying to be able to state that the debt has been decreased the past year \$8,038.41. This result has been obtained chiefly by the large increase in receipts from licenses and in the assessed valuation of taxable property.

No interest on warrants has been paid the past year, as there has been an ample amount in the Warrant Fund to pay all warrants on presentation, and a balance of \$54,274.29 remains at this date in the Fund. If this large surplus should be retained to the close of the current year, it is to be hoped that the Legislative Assembly will appropriate it towards the extinguishment of the bonded debt, as at that time the Territorial bonds will be redeemable.

I have the honor to be,

Very respectfully yours,

D. H. WESTON,

Territorial Treasurer.
